Eastern Cape NTIMS Data Collectors Update

As part of the data collection preparations, a data collection pilot exercise was conducted in East London, Queens Town and Port Elizabeth in the Eastern Cape province during December 2019. The primary purpose of the pilot was to test the data collection tools, methodologies and operations.

The Department will be distributing Mobile Devices (tablets) to be used for data collection, to all youth in the Eastern Cape province between 24 - 28 February 2020. Communication has been sent by the Department to all municipalities informing them of this exercise. Full scale data collection is set to commence in the Eastern Cape province from 02 March 2020.
