**Minister Derek Hanekom to address African World Heritage Youth Forum**

**29 April 2016**

This forum will address young people and seek to provide a sustainable platform for youth in Africa that could increase the involvement of youth in the promotion and protection of World Heritage in Africa, and also deliver essential feedback to UNESCO, the World Heritage Committee and the African World Heritage Fund (AWHF) on youth challenges, accomplishments and actions related to the implementation of the World Heritage Convention in the region. This is the first regional youth forum on World Heritage in Africa addressing Anglophone youth. A second forum is planned for 2017 targeting francophone youth in Africa.
