Minister Kubayi-Ngubane participates in SMME Sustainability Summit

29 July 2019

The Minister of Tourism, Mmamoloko Kubayi-Ngubane, will deliver a keynote address at the 2nd Annual SMME Sustainability Summit on Tuesday, 30 July 2019.

The two-day summit is aimed at promoting the growth and development of Small, Medium and Micro-sized Enterprises (SMMEs) and to help them contribute to economic growth and job creation. With a specific focus on tourism uncovering business opportunities in this growing sector, the gathering attracts entrepreneurs from across the country, Development Finances Institutions, business pioneers, industry experts and mentors. It further affords an opportunity to public and private organisations as well as SMME's to exhibit and showcase their products and services.

SMMEs constitute a sizeable number of all businesses and the sector can play an even greater role in propelling our country's economy into a greater growth trajectory.
