REPUBLIC OF SOUTH AFRICA**

Minister Sisulu to conduct a Vaccination Drive in Ladysmith and eThekhwini

01 October 2021

Tourism Minister Lindiwe Sisulu will on 2 October, conduct a Vooma Vaccination Campaign in Ladysmith and eThekhwini Metro on Sunday 3 October.

Vooma Vaccination Weekends aim to mobilise citizens and people living in South Africa to get vaccinated as a means to fight the COVID-19 pandemic.

The public and private health sectors, organised labour and business and community- and faith-based formations will join forces in the vaccination drive themed Vooma Vaccination Weekend.

Vaccines are safe and easy to receive. They protect people against serious illness, hospitalisation and death. And when the majority of people in the country are vaccinated, the nation will experience a greater sense of freedom and safety in social interactions and economic activity.

Vaccines are also free of charge and during Vooma Vaccination Weekend vaccination centres and points – including pop-ups – will be open all day on Friday and Saturday in all corners of the country. Media are invited to cover the Minister's engagement with community members and vaccine providers from 11h00.
