THE MEDITERRANEAN

Aboard the ships of MSC Cruises, the Mediterranean is more than just castles and cathedrals. It is our European heritage that makes a Mediterranean cruise aboard the ships of MSC a truly authentic experience. A stroll on the Promenade des Anglais in Nice. A romantic gondola ride through the canals of Venice. A breathtaking spin on the twisting Amalfi coast. A glass of vino in a Barcelona taverna.

From the sun-splashed Costa del Sol and the bustling souqs of Tunisia to the ancient ruins of Olympia, the whitewashed splendor of the Greek Isles and the fabled casino in Monte Carlo – aboard and ashore Europe is more than just another destination for MSC Cruises. It is who we are: Beautiful. Passionate. Italian.

NORTHERN EUROPE

In summer, when the golden twilight stretches into the next day's dawn, the ships of MSC Cruises wind their way through the Scandinavian archipelagos to reveal the true essence of Northern Europe. Drift past the Little Mermaid to fun-loving Copenhagen. Step back in time as the fairy tale towns of Tallinn and Visby, both surrounded by medieval walls, are revealed. Take in the spectacular beauty of the Norwegian fjords.

From the ancient czarist capital of St. Petersburg and the treasures of the Hermitage to the stunning natural beauty of the Scandinavian landscape and the modern architecture of Helsinki, Finland's striking capital – aboard and ashore Europe is more than just another destination for MSC Cruises. It is who we are: Beautiful. Passionate. Italian.

- a) receiving a full refund of all money paid; or
- b) booking another Cruise from the brochure of equivalent or superior quality at no extra cost, if available; or

- c) an unusual or unforeseeable circumstance beyond the control of the Company and/or anyone who supplies services which form part of the Cruise the consequences of which could not have been avoided even if all due care had been exercised, including (but not limited to) an event of force majeure; or
- d) an event which the Company and/or anyone who supplies services which form part of the Cruise could not even with all due care have foreseen or forestalled.

11.2 For claims not involving personal injury, death or illness or which are not subject to the conventions referred to in 11.4 to 11.8 inclusive, The Company's liability for improper performance of the Contract shall be limited to a maximum of twice the price which the affected Passenger paid for the Cruise (not including premiums and amendment charges).

11.3 All carriage (by land, air and sea) is subject to the Conditions of Carriage of the actual carrier. These may limit or exclude liability. They are expressly incorporated into the Contract. Copies of these terms and conditions are available on request from the Company.

11.4 Carriage of passengers and their luggage by air is governed by various international conventions ("the International Air Conventions"), including the Warsaw Convention 1929 (as amended by the Hague Protocol 1955 or the Montreal Protocol 1999 or otherwise) or the

Montreal Convention 1999. Flights between the UK and any member state of the European Union are currently governed by EC Regulation 889/2002 which gives legal effect to the Montreal Convention 1999. To the extent that the Company may be liable as a non-performing air carrier to Passengers in respect of carriage by air, the terms of the International Air Conventions (including any subsequent amendments and any new convention which may be applicable to a Contract for a Cruise between the Company and a Passenger) are expressly incorporated into these Conditions. The International Air Conventions may permit the carrier to limit its liability for death and personal injury, loss of and damage to luggage and delay. Insofar as the Company may have any liability to the Passenger in respect of carriage by air, it shall be determined accordingly. Copies of these conventions are available from the Company on request

11.5 Carriage of Passengers and their luggage by sea is governed by the Athens Convention 1974 ("the Athens Convention") as subsequently amended in 1976. The Athens Convention is expressly incorporated into these Conditions and any liability of the Company for death or personal injury or for loss of or damage to luggage arising out of carriage by sea shall be determined accordingly. In most cases, the Athens Convention limits the carrier's liability for death or personal injury or loss of or damage to luggage and makes special provision for valuables. It presumes that luggage has been delivered undamaged to the Passenger unless written notice is given to the Company (as carrier):

- a) in the case of apparent damage, before or at the time of disembarkation or redelivery; or
- b) in the case of damage which is not apparent or of loss, within 15 days from the date of disembarkation or redelivery or from the time when such redelivery should have taken place. Any damages payable by the Company up to the Athens Convention limits shall be reduced in proportion to any contributory negligence by the Passenger and by the maximum deductible specified in Article 8 (4) of the Athens Convention. Copies of the Athens Convention are available from the Company on request.

11.6 Insofar as the Company may be liable to a Passenger in respect of claims arising out of carriage by air or carriage by sea, the Company shall be entitled to all the rights, defences, immunities and limitations available, respectively, to the actual Carriers (including his own terms and conditions of carriage) and under the Athens Convention, and nothing in these Conditions shall be deemed a surrender thereof. To the extent that any provision in these Conditions is made null and void by the Warsaw Convention, the Montreal Convention or the Athens Convention or any legislation compulsorily applicable or is otherwise unenforceable, it shall be void to that extent but no further.

11.7 The Company's liability will not at any time exceed that of the Carrier under its Conditions of Carriage and/or applicable or incorporated contentions.

11.8 Except for claims arising out of carriage by air (as provided by 11.4), any liability in respect of death and personal injury and loss of and damage to luggage which the Company may incur to the Passenger, whether under the Contract in accordance with these Conditions or otherwise, shall always be subject to the limits of liability contained in the Athens Convention of 46,666 SDR's per Passenger for death/personal injury.

11.9 Notwithstanding anything to the contrary elsewhere in these Conditions, the Company shall not in any circumstances be liable for any loss or anticipated loss of profits, loss of revenue, loss of use, loss of contract or other opportunity nor for any other consequential or indirect loss or damage of a similar nature

11.10 The company will not pay any Passenger for claims arising out of loss or damage directly or indirectly occasioned by circumstances where performance and/or prompt performance of the Contract is prevented by reason of war, or threat of war, riot, civil strife, industrial dispute whether by the Company's employees or others, terrorist activity or the threat of terrorist activity, failure of supplies of power, health risks or epidemics] natural or nuclear disaster, fire or adverse weather conditions or adverse sea states, Passenger's suicide or attempted suicide or the Passenger's deliberate exposure to unnecessary danger (except in an attempt to save human life), or the consequences of participating in an unusual and dangerous activity and all similar circumstances outside the Company's control.

12. ITINERARY/RIGHT TO CHANGE

12.1 The Company reserves the right at its sole discretion and/ or that of the Master of any vessel (which will not be exercised unreasonably) to decide whether to deviate from any vessels advertised or ordinary itinerary, to delay or advance any sailing, to omit or change ports of call, to arrange for substantially equivalent carriage by another vessel, to tow or be towed or assist other vessels or to perform any similar act which, in its sole judgment and discretion and/or that of the Master of any vessel is justified for any reason. Provided that any such decision is taken reasonably, the Company will be under no liability or obligation to the Passenger.

13. PASSENGER'S RESPONSIBILITY

13.1 Passenger has a duty to obey the lawful requests of the vessel's Master or delegated officers whilst on board; and for security or other lawful reasons to allow them (with other members of the crew) to search any Passenger, their cabins, baggage and belongings.

13.2 The Passenger hereby expressly agrees to allow any such search.

13.3 Passengers must have received all necessary medical inoculations prior to the cruise and have in their possession all tickets, valid passports, visas, medical cards and any other documents necessary for the scheduled ports of call and disembarkation.

13.4 Each Passenger warrants that he/she is physically fit to undertake the Cruise.

13.5 The Company and/or the Master of any vessel and or captain of any aircraft reserve the right in their absolute discretion to refuse boarding or disembark at any port any Passenger whose conduct is in its or their reasonable opinion likely to endanger or impair the comfort and enjoyment of others on board.

13.6 No Passenger shall bring on board any vessel or aircraft any goods or articles of a dangerous nature, nor any animals whatsoever.

13.7 The Company will be under no liability whatsoever to any Passenger in respect of any breach or non-observance by any Passenger of the provisions of this clause and any Passenger shall indemnify the Company against any loss or damage occasioned to the Company or any of its suppliers by such breach or non-observance.

13.8 Passenger's behaviour must not compromise the safety, peace and enjoyment of the cruise by other Passengers.

13.9 Passengers must not bring live animals, firearms, ammunition, explosives or flammable, toxic or dangerous substances onboard any vessel, without the written consent of the Company.

13.10 Passengers shall be liable for any damage suffered by the Company and/or the Carrier and/or any Supplier of any service that forms part of the Package as a result of the Passenger's failure to comply with his obligations. In particular, the Passenger shall be liable for all damage caused to the vessel or its furnishings and equipment, for injury or loss to other Passengers and third parties, and also for all penalties, fines and expenses attributable by the Passenger that the Company, Carrier or Supplier may be liable to pay.

14. COMPLAINTS

14.1 Any Passenger with a complaint whilst on a Cruise must bring it to the attention of the Cruise staff onboard as soon as possible. If the Cruise staff is unable to resolve the problem, any complaint must be notified in writing to the Company within 28 days of the termination of the Cruise. Failure to report the complaint within this time may adversely affect the Company's ability to deal with it. Disputes involving claims up to the limited amounts and which do not relate solely or mainly to physical injury or illness may (if you so wish) be referred to conciliation under a special scheme, which though devised by the Passenger Shipping Association, is administered independently. Details will be supplied on request.

15. VARIATION

No variation of these terms shall be effective unless in writing and signed by the Company.

16. LAW AND JURISDICTION

Any action, suit or proceedings against the Company and/or its employees shall, unless the Company expressly agrees otherwise in writing be brought in the Italian Courts and shall be subject to Italian law.
