2017 GUIDE FOR TRADE WORKSHOPS
4. Experience in their own ground.

Tour operators have been invited to participate, and we hope that their presence will be of interest for their guests in a total South Africa visit, enabling them to immerse their guests in a total South Africa experience.

3. For 2017, the workshops will take place in two locations in Japan (Tokyo and Osaka).

2. Update the in-market traders on new offerings.

The workshops serve as a valuable networking opportunity, allowing not only for the creation of a multi-sensory impact, making participation more enjoyable, fun, and indeed memorable.

1. Travel Trade Workshops in Japan and Korea are well under way, and Team SA is once again called upon to ready itself for yet another exciting business adventure.
