

Deputy Minister Fish Mahlalela to open the 12th edition of the National Tourism Careers Expo

23 March 2022

The Deputy Minister of Tourism Mr. Fish Mahlalela will officiate the opening of the 12th Edition of the National Tourism Careers Expo (NTCE) at the Johannesburg Expo Centre – Nasrec on the 25th of March 2022.

Themed "Rebuilding a resilient and inclusive Tourism sector for the future," the NTCE will showcase the opportunities that exist in tourism, and share insights on how the youth can explore their employment and entrepreneurial prospects within the sector's value chain.

The NTCE is a long-standing collaborative programme between the Department of Tourism, the Culture Arts, Tourism, Hospitality & Sport Education Training Authority (CATHSSETA), and the appointed host province. The Gauteng Department of Economic Development represented by its provincial marketing agency, the Gauteng Tourism Authority (GTA) has been awarded the opportunity to the youth expo in the Gauteng Province for the next three years.

The Expo promises to be an exciting and informative event for Grade 8-12 learners, university and college students and unemployed graduates who wish to build careers and business venture in tourism.

Highlights will include motivational talks by leading local tourism entrepreneurs and personalities, tourism educator seminars, exhibitions by local tourism products and related services such as:

Young people have valuable ideas too and Grade 11 learners are invited to share their thoughts on restarting, rejuvenating and recovering the tourism industry.
- Hospitality category Novelty High Cake: Each competing learner to create a three-layer novelty cake using at least three advanced garnishing methods, perfect for a delightful South African high tea.
