Tourism Minister Lindiwe Sisulu launches the Summer Season Campaign in Johannesburg

06 December 2022

This is the first festive season we get to enjoy without any COVID-19 restrictions! South Africa is gearing up for a bumper festive season.

Domestic and international holidaymakers are looking forward to once again exploring and enjoying beautiful Mzansi.

It is only fitting that we celebrate the resilience of the tourism sector - those moments when we pulled together to weather the storm.

Let us get together to reflect on the socio-economic impact that our sector contributes to the people of South Africa.

Please join us for the launch of the summer season campaign and to hear more about our nationwide "Gimme Summer That" activation.

Date: Tuesday 6th December 2022

Venue: Sandton Convention Centre

Room: The Pavillion

Time: 17h00

RSVP: stakeholder@southafrica.net
