The Department has a strategic role to participate and contribute to the implementation of training and skills development needed on a large scale to multi-skill the unemployed youth in order to enhance their employability and contribute towards the performance of the tourism industry.
- 1.2 The Professional Cookery Programme aligns with **Priority 1** of the Government of National Unity (GNU), as articulated in the Medium-Term Development Plan (MTDP) 2024–2029, which prioritises inclusive economic growth and job creation. It also supports the Department's Strategic Plan and Annual Performance Plan (APP) by expanding access to quality skills development opportunities that improve employability, address labour market needs, and contribute to sustainable employment within the tourism sector.

It further aligns with the country's and tourism sector's priorities as espoused in the National Development Plan (NDP), the Skills Development Act, 1998 (Act No. 97 of 1998), and the Tourism Sector Human Resource Development Strategy (TSHRDS), which collectively promote skills development as a catalyst for inclusive economic growth, job creation, and the long-term competitiveness of South Africa's tourism sector.

7. TENDER EVALUATION PROCESS

The Department will evaluate all proposals in terms of the Preferential Procurement Policy Framework Act No 5 of 2000 (PPPFA) and (Preferential Procurement Regulations, 04 November 2022, Gazette Number 47452). The bid will be evaluated in the following phases:

7.1 First Stage: Mandatory bid requirements and conditions

Bids or tender proposals will first be assessed for responsiveness and compliance with the mandatory bid conditions outlined in **Paragraph 4** above. The absence of required documents, or if documents cannot be verified, will result in the rejection of the bid/tender proposal, and disqualifying the proposal from further evaluation on functionality.

7.2 Second Stage: Functionality

Bidders who comply with all mandatory requirements will then be evaluated and assessed on functionality according to **Paragraph 6.2** above, where the bidder must obtain a minimum of **80 out of 100** points. If a bidder fails to meet or receive at least **80 points out of 100**, which serves as the threshold for functionality, that bidder will be eliminated and will not be considered for the next stage of point calculation and allocation for Price and Specific Goals.

7.3 Third Stage: Price and Preference Points (Specific Goals)

All bidders who obtain a minimum threshold of **80 points** on functionality will be evaluated based on the **80/20** preferential point system. A maximum of **80 points** will be allocated for price, while **20 points** will be assigned for specific goals (refer to **Annexures B, C & D – returnable schedules**), which will be used to allocate points according to the information submitted by potential bidders. Therefore, the Department will decide whether to award a tender or not in line with the applicable SCM prescripts and procedure governing the public tender administration process.

8. MISREPRESENTATION DURING THE LIFECYCLE OF THE CONTRACT

- 8.1 The bidder should note that the terms of its bid will be incorporated in the contract as a reference and that the Department relies upon the bidder's proposal as a material representation in making an award to a successful bidder and in concluding a contract with the bidder.
- 8.2 Therefore, any misrepresentation in a bid shall give rise to service termination and a claim by the Department against the bidder notwithstanding the conclusion of the contract between the Department and the bidder for the provision of the service in question. In the event of a conflict between the bidder's proposal and the contract concluded between the parties, the contract will prevail.

9. PREPARATION COST

The Bidder will bear all the costs in preparing, submitting and presenting any response to this bid including other costs incurred throughout the bidding process. Furthermore, no statement in this bid will be construed as placing the Department, employees or agents under any obligation whatsoever, including in respect of costs, expenses or losses incurred by the bidder(s) in the preparation of their response to this bid.

10. FRONTING, COLLUSION, FRAUD AND OR CORRUPTION

All bidders are required to conduct themselves in an honest manner, and any efforts by the bidder(s) to influence the evaluation or award decisions in any manner will result in the rejection and disqualification of the bidder's proposal.
